

MUNROE REFERENCE LETTER

07.02.2019

To whom it may concern

This letter serves to confirm that we have been working with Munroe Project Management for the past 2 years. We have also contracted Munroe to supply all the glass and aluminium doors for the Rea Vaya Bus Stations which is an ongoing project.

We have found their service to be extremely good and Clint is always available to discuss and find solutions to any issues as they develop. Communication is excellent and upfront, so there is no delay or problems down the line.

I do not hesitate in recommending them to attend to any glass and aluminium work, and possible project management duties.

Please feel free to contact me if required, regarding Munroe Project Managers.

Yours sincerely

Mike Frost
CEO
